President's Message

First, I want to thank our Nov. speaker and member, Dr. Ron Miller, for the presentation on Phalaenopsis orchids . It was informative and entertaining for both the new and experienced growers.

This is reminder that the Dec. meeting/party is Dec.2nd. As usual it will be a full potluck lunch, so bring something delicious to share. We will play bingo after lunch with the traditional prizes of orchids for 2023 paid members.

We hope to see everyone for the fun and festivities.

Peggy

P.S.-- we will have nominations and volunteers from the floor for 2024 officers and then the election.

Meeting Minutes

Our November meeting was called to order by Peggy Rogers at 1:45. She said that Jim had ordered plants for our bingo next month ,December 2, from Carmella's.

We talked about the CNU sale that we did last year and needing volunteers to help set up and sell for next year. We are getting plants and what is not sold will be held over for our auction. We talked about ordering blooming plants this year to attract more people.

A reminder that the VOS show will be Feb 22 {set up} thru Feb. 25th. We would like to do a display again this year. We will need plants and Ron Miller will be in charge. So please contact Ron if you have orchids for the display.

Jim, VP, is still looking for ideas {other than speakers} for next year's meetings. Contact Jim by email if you have any suggestions. {Repotting was suggested.}
